

INTERNAL AFFAIRS UNIT (IAU)

Logo:

Divisional Secretariat Valikamam South West (Sandilipay)

The Internal Affairs Unit is the institutional mechanism for strengthening integrity, preventing corruption, improving transparency and accountability, supporting ethical governance, and providing an appropriate channel for reporting misconduct and service-delivery concerns.

The local IAU should publish only information that has been formally approved by the Divisional Secretary and is consistent with current government requirements.

Vision, Mission and Motto

Vision, Mission and Motto

Vision

“A model institution for ensuring integrity in public service.”

Mission

“To deliver ethical, accountable and citizen-centred public service.”

IAU Motto

“Integrity in Every Action – Building Trust in Every Service.”

Overall Goal

To establish a risk-based, transparent, accountable and citizen-centred integrity management system that prevents corruption opportunities, strengthens ethical conduct, improves public-service transparency, provides safe reporting mechanisms and supports continuous institutional

Main Objectives

To strengthen institutional integrity and to prevent corruption through ethical conduct, transparency, accountability, effective risk management and citizen-centred public service.

Key Objectives

- To Prevent corruption, misconduct and abuse of authority through proportionate preventive controls.
- To Strengthen transparency and accountability in administrative and service-delivery processes.
- To Identify, assess and manage institutional integrity and corruption risks.
- To Promote ethical conduct and an integrity culture among staff.
- To Maintain safe, accessible and confidential reporting and complaint mechanisms.
- To Strengthen conflict-of-interest management and applicable compliance requirements.
- To Improve fair, timely, respectful and transparent citizen service.
- To Measure integrity performance, evaluate results and support continuous improvement

Eight Pillars – Rebuilt into Implementation Streams

Pillar	Implementation focus
1. Corruption Prevention	CRA, risk register, red flags, preventive controls, corrective-action tracking
2. Transparency	Citizen's Charter, service standards, process maps, QR/digital information
3. Accountability	Responsibility mapping, delayed-file review, decision/action records
4. Ethical Conduct	Code of Conduct awareness, integrity commitments, ethics sessions, recognition
5. Safe Reporting & Complaints	Complaint channels, controlled register, acknowledgement, referral, confidentiality
6. Conflict of Interest & Compliance	Declarations, compliance checklists, procurement/high-risk reviews
7. Citizen-Centered Integrity	Feedback, satisfaction baseline, accessibility and fair treatment
8. Monitoring & Continuous Improvement	Dashboard, monthly/quarterly reviews, impact assessment, annual report
